   a) Volunteering
      i) **Achieve a College Education Day** - Help inspire 5th grade students to pursue a college education! On March 17, 650 elementary school students will be coming to tour UCF, and we, as volunteers, would guide them around our beautiful campus while answering their questions about life as a college student. Volunteers will be in teams of 5 for each group of approximately 20 fifth grade students. The registration form is available on the Chi Epsilon website.
      ii) **Savage Obstacle Race** – Volunteering at a 7.1 kilometer obstacle race. We would be performing roles such as registration, bag check, oversee the obstacles, or help organize parking (other roles are also available). On March 29, we would be volunteering from 7:00am to 5:00pm. Each volunteer would receive:
         (1) Exclusive Savage Race Volunteer T-Shirt
